Thanks for checking on those folks. Hopefully, there is a signed letter waiting for you tomorrow.
 Good to see you. When is your last day?

Michael, I played hot potato w your question on our concurrence letter for you. See below.

In a nutshell:

- the letter has already been upstairs
- they missed the deadline to sign it by the first date that was put on letterhead
- we've given them a 2nd on letterhead that was dated yesterday

I will see if that slippery thing is signed when I get in tomorrow!!! Kathie and I will assure it gets scanned and to you since Paul is out killing...fish.

I think we are close, Michael!!!

Daria, I was unable to ask Cat because she is busy right now, but Bobbie Jo will ask her as soon as she can. I gave Cat an updated letter to September 12 last Thursday. She was hoping to get it upstairs and signed by yesterday. I'll let you know when I hear from Bobbie Jo.

Kathie, can you tell me where the Allied Paper OU1 concurrence action memo and letter stand?
